

The Beauty, Vol. 1 Modern society is obsessed with outward beauty. What if there was a way to guarantee you could become more and more beautiful every day? What if it was a sexually transmitted disease? In the world of The Beauty, physical perfection is only one sexual encounter away. The vast majority of the population has taken advantage of it, but Detectives Vaughn and Foster will soon discover it comes at a terrible cost. Now, they'll have to find their way past corrupt politicians, vengeful federal agents, and a terrifying mercenary out to collect the price on their heads. Collects the first six issues of the critically acclaimed, Pilot Season winning series by writer/artist JEREMY HAUN (Constantine, Batwoman) and co-writer JASON A.
